Emergencies

So far this season, we have had several instances of teams being short of players. We have to pay fines if matches are forfeited and after three forfeits, that team is excluded from the competition. Unless it is absolutely unavoidable, please don't make plans for the Saturday mornings when you are rostered out, as your team or a higher team may need you. Let Lisa know if you have a friend or sibling, who can play tennis, is not registered with another NEJTA team and is willing to be an emergency if we're desperate

Are you helping your Team Manager?

The Junior Committee would like to thank our Team Managers for the extra work they do throughout the season and remind everyone that they are **volunteers**, without whom the Saturday morning comp would not be able to run. We'd like to remind players and parents of a few things.....

- Players are responsible for knowing where and when they're playing. It is not your Team Manager's job to ring and remind you. If mix-ups occur, deal with it in a sensible and civil way.
- Team Managers deserve to be treated with respect, not subjected to surliness or abuse.
- The Code of Behaviour, which players and parents have signed, is applicable on and off court.
- Players are expected to bag their half of the court, without being reminded.
- The Team Manager should not have to be there every week of the season, unless they choose to do so. Other parents should be there to help with team supervision occasionally.
- Parents should not drop off their kids and then disappear on your team's canteen days. Your Team Manager cannot look after the team and do canteen duty single-handed.

So, are you making your Team Manager's job easy or more difficult????

Registration Days for 2007

Registration Days for next season will be held on **November 11th** and **November 18th**, whichever is your team's home match. Players rostered out on these days **must** still attend to register if they intend to play next season. (Section 17 Boys should call in at Bundoora after their RMIT venue home match on November 18th.) If you are not returning in 2007, please let us know ASAP. Ball fees are to be paid at the time of registration: \$20 for Singles players and \$12 for Doubles. The slightly higher fees for next season are due to increases in the NEJTA team entry charges. What you are being charged will still be below the actual cost of entering the team and supplying balls for the season.

If you know any who is interested in playing Saturday morning competition, please ask them to contact Lisa by November 11th, either by phone (9404 1386), email bundy_tc@bigpond.net.au or by calling into the Clubhouse on a Saturday morning.

Canteen Roster

This season's canteen roster has one team rostered on for the first half of the morning and one for the second half. Thanks to those parents who have helped out so far.

To avoid overcrowding in the canteen area, only those on duty are to be in the kitchen. Children should not be in that area - they can still talk to mum or dad from the other side of the counter.

Stats

All Team Managers should have a computer copy of the Stats form to fill in for their team. If not, please see or email Lisa. We recommend that you fill in your stats every week or two, rather than leave it till the last minute. A copy of your team stats must be given to Lisa (email or printed copy) at the completion of Round 13.

Know what's going on!!

Do we have your current email address? The NEJTA ladders are published after every odd numbered round of the home and away matches. If you would like to receive a copy of these ladders, please email bundy_tc@bigpond.net.au with a "Yes, please send me the ladders" message. All players should regularly check the noticeboard and check with team managers for newsletters and notices, especially after a week rostered out.

Team Photos

Team managers have paper copies of the team photos taken last season. Orders are being taken for proper photo quality prints, at a cost of \$5 per photo. If you have moved up to a higher team or last season's team was split, you may have to track down your previous team manager to see a copy of the photo or see Lisa. **This season's team photos will be taken on the registration days in November. It's up to all players to be there, whether rostered in or out, if they want to be part of their team photo.**

Club Merchandise

Players are reminded that you must comply with the NEJTA Dress Code every Saturday morning. On cold days, some clubs will allow you to leave tracksuit pants on initially, but you **MUST** have your shorts underneath or skirt over the top. Boys especially are reminded that cargo pants, even if rolled up, are unacceptable. Any fines we incur because of dress code violations will have to be paid by the players concerned.

If you wish to order Bundoora shirts, shorts, tracksuits, caps or polar fleece tops, please see Ross Sobey or the Home Supervisor on Saturday mornings. Payment is required at the time of ordering.
